Patient Consent Form for Pets

As you are aware, I am a fully qualified Homeopath, not a Veterinarian. I offer strictly homeopathic treatment to address a wide variety of health problems that are conventionally treated with drugs. Please be aware that treatment of animals is not in the scope of practice of homeopaths in Ontario. The homeopathic treatment I will come up for your pet is the best advise that I can give you for your pet. You should always follow whatever your Vet thinks is best for your pet.

By signing below, you acknowledge that you understand that our homeopathic consultation is to provide homeopathy for your pet and that it is your decision to treat your pet accordingly.

I, _____

(please print name)

at the following
address: _____

willingly consent to homeopathic treatment for my pet by Guia Vita-Melendres, a qualified Homeopath and certified by the College of Homeopaths of Ontario. I confirm that there has been no suggestion made to me by Homeopath Guia , or by anyone under her direction to prevent me from following what is best for my pet. The decision to seek homeopathic treatment is solely my decision and I understand that seeking the treatment of a Veterinarian is best for my pet.

I understand the cost of treatment and agree to pay my account according to the set guidelines and that all fees are NON-REFUNDABLE.

I understand that all information disclosed is confidential and remains within the property of this professional office.
